Cypress College
Strategic Plan

Vision
A premier learning environment for student success and community enrichment

Mission
Cypress College enriches students' lives by providing high-quality education for transfer to four-year institutions, associate degrees, vocational training, and certificate coursework, as well as basic skills and opportunities for lifelong learning. The college is committed to promoting student learning and success, embracing diversity, contributing to the economic and social development of the surrounding community and being open to all qualified students pursuing their educational goals.

Core Values
Excellence  Integrity  Collegiality  Inclusiveness

Directions
Cypress College staff and students recognize the importance and interdependence of diversity, innovation, technology, and staff development. These threads are reflected in all of the following:

Direction One – Instruction
Designing, enhancing, and delivering comprehensive instruction to promote academic excellence and student learning

Direction Two – Student Support Services
Developing and providing comprehensive student support services to foster a positive and effective learning environment

Direction Three – Campus Support Services
Ensuring that campus support services are effective and efficient
