Enrollment Fee Increase

The California State Legislature and the Governor approved an increase in enrollment fees at the state’s community colleges to $46 per unit (a typical 3-unit class is $138) beginning in Summer 2012. We are required to collect these fees from all students enrolling in the Summer and/or Fall 2012 classes. While this information is current, uncertainties in state funding may result in additional fee increases. Financial Aid is available to qualified students.

There’s something significantly different about this class schedule — it’s actually **TWO** class schedules. For the first time, Cypress College has combined the Summer and Fall Class Schedules into a single document.

This has been done to reduce cost in light of the ongoing financial problems in California, and the related impact on public educational institutions such as Cypress College.

In the big picture, the savings of about $5,000 is small — though certainly not insignificant. It is an example, however, of how we at Cypress College are examining every aspect of our business to maintain the service to our students as best we can.

As a student, you may be saving a small amount of money, too. The $2 cost to purchase the schedule is unchanged; so, if you had planned to purchase both the Summer and Fall Class Schedules, it will be a little lighter on your wallet.

Cypress College has made every reasonable effort to determine that everything stated in this Class Schedule is accurate. This publication is prepared in advance of the time period it covers; therefore, changes in courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Cypress College. The College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation, and to change the class hours and/or days as necessity demands. Student fees and instructional fees are subject to change after the printing of the Class Schedule.

Throughout the registration process (including class petitioning), certain deadlines must be established. These deadlines are necessary in order to comply with state attendance laws and must be complied with by all students. Failure to comply with these deadlines may mean that the student will not be registered and will not receive credit or be allowed to attend classes.

### ASSESSMENT CENTER
Students are evaluated in reading, writing, and mathematics. Students registering for Math 010 C or higher should take the Math Placement test and have transcripts indicating all math prerequisite classes completed. Placement testing can be waived if you bring transcripts and/or test scores from another California community college to the Assessment Center. Transcripts are used as an extra measure of your skills. You may be exempt from some assessment and orientation/counseling if you are:
1. A college or university graduate.
2. Already assessed at another California community college.

NOTE: If you do not meet the above exceptions, you should complete assessment and counseling prior to myGateway or you will be electronically blocked from myGateway.

PLEASE NO BEEPERS or CELL PHONES. CHILDREN ARE NOT ALLOWED.

Allow at least 2 hours per test process.

You must bring the following items with you for your assessment testing:
1. Photo ID
2. #2 Pencil
3. Email permit to register/Cypress College ID Card/Schedule Bill
Understanding your Basic Skills Assessment Results

Assessment of your basic skills is an important step in learning more about yourself as you choose courses in which you can be successful. These tests, however, cannot tell you everything you need to know when making your course selections. Your success is also influenced by a variety of other factors, such as your:

- educational background
- goals
- study skills
- work and family priorities

A counselor can assist you in selecting the most appropriate courses.

What do my Test Results tell me?

The basic skills tests are for placement purposes only: YOU CANNOT FAIL THESE TESTS! After each testing session, you will receive a receipt that will indicate:

- the tests you have taken
- the date the tests were taken
- the number of questions you answered correctly for each test
- course placement recommendations

Should I Retest?

NO, retesting is not necessary because test scores are just one of many factors considered when course recommendations are made. Counselors use additional information from the multiple criteria list on the back of the test receipt. Keep in mind that a low score does not indicate failure but perhaps a need to develop or enhance your skills. You may need to take a lower level the first semester to gain the necessary skills.

What do I do with my Results?

After assessment, you need to sign up for a Cypress College orientation session. The orientation will provide you with:

- important information about your assessment results
- academic advisement in a small group setting
- hints that will help you be successful in college
- information about Cypress College programs and services
- campus policies and procedures
- graduation and transfer requirements
- a review of the campus map and parking directions

Students may elect to complete an online orientation by visiting this address: http://www.CypressCollege.edu/counseling/orientation. Please take quiz.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Students with verified disabilities may be eligible for accommodations such as extended time on assessment tests. Contact the Disabled Students Program & Services at (714) 484-7104 for information.

CTEP: College Test English Placement (For Native Speakers of English)

The CTEP is designed to measure the English skills of native speakers of English. It is required for proper placement in English courses. Exemptions are:

- Competitions of an AA degree or higher, enrollment in one class that has no prerequisite, transcripts/grade reports showing completion of college English with a grade of “C” or better. The CTEP may not be used for placement in ESL courses.

CELSA: English as a Second Language (Non-Native Speakers of English and F1 Visa Students whose first language is not English)

CELSA is designed to measure the English skills of non-native speakers of English. CELSA is required for proper placement in English as a Second Language (ESL) courses; the CTEP may not be substituted for placement in ESL courses. However, students scoring high on the CELSA may be referred to take English courses for native speakers. YOU WILL BE IN SESSION FOR 2 HOURS.

MDTP: Mathematics Diagnostic Testing Project

All students who have not taken a math course at Cypress College are required to take the MDTP before enrolling in the following mathematics courses: MATH 015 C, 020 C, 030 C, 038 C, 040 C, 100 C, 110 C, 115 C, 120 C, 130 C, 141 C, 142 C, 150AC. Exemption would be enrolling in MATH 010 C, and providing transcripts/grade reports indicating completion of the above courses with a grade of “C” or better within the last two years. Math recency is very important. Please review course listings and prerequisites. Review sample questions; the MDTP has four levels from which to choose. NO CALCULATORS! YOU WILL BE IN SESSION FOR 2 HOURS.

ORIENTATION

New Students are required to attend a one and one-half hour orientation to the college system. Orientation appointments are made at the conclusion of the assessment testing. Students will receive information on programs, policies and registration procedures. Participate by bringing your email Permit to Register to the session. Placement test results will be interpreted along with a review of previous academic courses. Bring transcripts from all other schools.

A counselor will help you choose your first semester classes. The counselor will then approve your semester plan.

Orientations will be offered at 8:30 am, 12:00 pm and 5:00 pm, beginning May 2012. Appointments can be made at the Assessment Center or Counseling Center, located on the second floor of the Student Center. For more information please call (714) 484-7223, or (714) 484-7015.

Students may elect to complete an online orientation by visiting this address: http://www.CypressCollege.edu/admissions/gettingstarted/orientation. Be sure to email the counselor your first semester education plan.

COUNSELING

Continuing and Returning Students may see a counselor prior to registration and are strongly advised to do so before the end of the semester. Counseling is available during the day by appointment or walk-in (when available) in each division on campus until the end of May.

Walk-in counseling is available in the Counseling Center on the second floor of the Student Center.
Counseling appointments can be made by calling (714) 484-7015. Walk-in appointments are also welcomed, but appointments are encouraged. Undecided or Undeclared students may call any office.

**COUNSELING CENTER HOURS:**
- MON – THU 8:00 am - 6:00 pm
- FRI 8:00 am - 12:00 pm
* Counselors available from 8:00 am - 11:30 am

**Students** who have previous college experience, or who are returning Cypress College students will need to see a counselor before registration. Clearance of prerequisites are reviewed by a counselor. A counselor will assess previous course work to determine placement in classes. Please bring any transcripts or grade reports to assist the counselor in evaluating previous course work.

**New Students** will be counseled in the orientation session as outlined in STEP 3. Counselors are available for limited telephone or online consultation.

Reviewing the current **Class Schedule**, along with the **College Catalog** will help you understand all the steps necessary for an easy matriculation and registration process. When coming to the campus for registration activities, always bring the registration email sent to you, ID number, Photo ID and a #2 pencil.

**TRANSCRIPTS**
Official transcripts from other colleges or universities are required for:

- NEW students
- RETURNING students who have attended other colleges or universities since their last enrollment at Cypress College.
- Students who plan to graduate or complete a certificate at Cypress College and/or transfer from Cypress College, if they have attended other colleges or universities.
- Veterans collecting educational benefits, if they have attended other colleges or universities.
- Students needing to show completion of course prerequisites who may use personal copies.
- High school transcripts are required for students who have graduated within the last 2 years.

**WHAT IS BOGW?**
BOGW (Board of Governors Fee Waiver) is a state sponsored program which waives enrollment fees only for qualifying students. You may be eligible for a fee waiver even if you are not eligible for other financial aid.

**WHERE DO I START?**
Log onto myGateway and click on Financial Aid to fill out an online application.

**HOW DO I APPLY?**
To apply for the BOGW you must complete the online application and turn required documents in to the financial aid office. The application has two methods for qualifying:

**Method A:**
Is for students on public assistance programs: TANF/CalWORKS, SSI/SSP, SSAI, SSAS, General Assistance. It is also for dependents of disabled or deceased California Veterans or National Guard and as a recipient of the Congressional Medal of Honor or as a child of a recipient, or a dependent of a victim of the September 11, 2001 terrorist attack. Certification must be obtained from the appropriate agency. Documentation will be required to verify your eligibility. This documentation must be dated within the last 30 days.

**Method B:**
Is for low income students whose previous year income was within qualifying income guidelines.

**WHAT IF I AM ELIGIBLE?**
If eligible, the Financial Aid Office will approve and enter a waiver status on the computer system so that student is not assessed an enrollment fee for the semester.

**WHAT DO I DO NEXT?**
Go to the Admissions and Records Office and register for your courses, paying all other fees assessed (i.e., parking, student ID, lab fee, etc…)

**DO I NEED TO KNOW ANYTHING ELSE?**
If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL AID (FAFSA) right away. Contact the Financial Aid Office for more information. The FAFSA is available at www.fafsa.ed.gov or at the Financial Aid Office.

**REGISTRATION**
Continuing Students will be assigned appointments based on units/hours earned at Fullerton and Cypress Colleges. New and Returning Students will be issued a registration appointment based on the date the Application for Admission was received.

Registration appointments and other necessary information will be sent by email; however, registration appointments do not guarantee enrollment into any class.

The Class Schedule contains several pages that provide useful registration information. It is recommended that students read the information prior to registering for classes.

**SPECIAL ADMIT WEEK**
June 18–21, 2012

Each semester, a completed Special Admit Form with appropriate approvals must be submitted to the Admissions and Records Office the Monday–Thursday prior to the first day of the term.

Special Admit students register June 21, 2012 at 4:00 pm.
CONTINUING Students are those enrolled in Spring 2012 classes and will receive letter or “W” grades at the end of the term. They will receive a registration email that will provides their priority registration date and time for Summer 2012.

Your registration appointment can also be viewed by logging onto myGateway and clicking on “Check Registration Appointment” under Reg Tools.

Registration appointments are based on units/hours earned through Fall 2011 at both Cypress and Fullerton Colleges. Having attended both institutions requires adding together the units/hours earned at both colleges.

Units/hours earned can be determined by logging onto myGateway at www.CypressCollege.edu. Click on both Student Records and View Unofficial Web Transcript.

Veteran students who are active or former members of the United States Armed Forces who are within two years of their date of separation from active duty may qualify for priority registration (CA Senate Bill 272 — eff. January 1, 2008). For priority registration approval, submit your military ID, DD214 or N.O.B.E. (Notice of Basic Eligibility) to the Veterans Coordinator located in the Veterans Resource Center in the Cypress College Complex.

Special Admit Students register for the Summer semester on Thursday, June 21 at 4:00 pm.

Students should register on their assigned date and time for a better selection of classes; however, enrollment is not guaranteed into any class.

Registration is subject to established deadlines for adding, dropping, payments and refunds.

- Return your payment to the College by:
  - placing the envelope in the Drop Box Slot located outside the Business Building near the ATM
  - mailing to: Cypress College Bursar’s Office, P.O. Box 6047, Cypress, CA 90630-0047

**In-Person Payments:**

- Cash, check or credit card payments may also be made in person in Admissions and Records or the Bursar’s Office during regular office hours.

**Third Party Payments:**

- If your fees are to be paid by a third party (i.e. Dept. of Rehabilitation, Veteran’s, Scholarship etc.), please contact the Bursar’s Office immediately at (714) 484-7317, to avoid being dropped for Non-Payment. You can email your Dept. of Rehabilitation “Authorization for Services” document to lmares@CypressCollege.edu, or drop it off at the Bursar’s Office.

**IMPORTANT. CYPRESS COLLEGE DOES NOT BILL FOR UNPAID REGISTRATIONS. Students whose payments are not received at registration may be dropped from classes to free up seats for other students seeking to register.**
While all reasonable efforts have been made to present complete and accurate fee information, changes in state funding may result in fee changes for the 2012–2013 academic year.

All Registration Fees must be paid in full at the time of registration. Payments may be made by cash, check, money order, MasterCard or Visa.

ASSOCIATED STUDENTS BENEFITS CARD

All students are encouraged to buy this option. For $7 you receive discounts on a variety of services: movies, restaurants, etc. NOW includes a limited 10% discount at the Cypress College Bookstore.

HEALTH FEE

Pursuant to Education Code and district policy, Cypress College has a mandatory health fee. The health fee is $16.00 per semester ($13.00 for summer term) for each student regardless of the number of units taken. The health fee and/or health fee exemptions are subject to change should the state legislature take action to change them.

Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization is exempt from paying the health fee. Upon request, the health fee will be refunded to any student who withdraws from all courses prior to the 10% date of the length of the course.

MATERIAL FEES

Students enrolling in classes with material fees will be required to pay the fee(s) at the time of registration (see individual course). If the material fee is not indicated as PAYABLE AT REGISTRATION, the fee is paid in the College Bookstore.

NON-RESIDENT TUITION

Non-residents of the State of California are charged tuition at $202 per unit, which includes the $23.00 Capital Outlay fee per Education Code Section 76141. Non-resident tuition is in addition to the enrollment fee required to be paid by all students. If you believe you should be reclassified as a resident student, it is your responsibility to change your status at the Admissions and Records Office prior to registration. If you are a non-resident seeking a waiver of the $23 capital outlay fee due to financial hardship, contact the Admissions and Records Office.

CAMPUS PHOTO ID CARD

Students are strongly encouraged to purchase a Campus Photo ID Card. Students pay a $2.50 service fee at the time of registration and receive a validation sticker upon payment of the fee. New and returning students may obtain a Campus Photo ID Card upon presentation of their Enrollment Receipt showing proof of payment of the fee and a valid photo ID (i.e. Driver’s License or California ID card). Continuing students can get a validation sticker for the current semester and place it on their existing Campus Photo ID Card. The Campus Photo ID Card includes the student’s photo, signature, permanent number and a scannable bar code. The Campus Photo ID Card is required for the following services:

- all campus labs
- Library, Financial Aid, Bursar’s Office, and Student Affairs
- check or credit card purchases in the Bookstore

Cards that are requested but not picked up by the end of the last day of the semester will be voided.

*Please note that your Cypress College Parking permit will be honored for all student parking lots at Cypress College, Fullerton College and our Anaheim campus.

**Students requesting or paying for parking, photo ID, or the AS Benefits sticker on myGateway after June 10, 2012, will be required to pick up these items in the Admissions and Records office or the Bursar’s Office during regular business hours.

NOTE: Campus Safety will ticket for no student parking permit beginning the second week of the term.

Citations will begin July 2, 2012.

PARKING

An optional parking fee of $20.00 for automobiles and $10.00 for motorcycles has been authorized by the District Board of Trustees (Education Code 25425 and 25425.1).

Payment of this parking fee may be made at the time of registration. Those who pay the fee will receive a parking permit which will authorize them to use any of the seven parking lots open to student parking and designated student parking on Circle Drive, designated student parking on the Fullerton College campus as well as designated student parking at our Anaheim campus. The parking permit does not guarantee a parking space, but will permit parking in designated spaces on all three campuses. Replacement cost is $20.00 if lost or stolen. ($1.00 replacement fee with police report of theft.)

Students requesting or paying for parking, photo ID, or the AS Benefits sticker on myGateway after June 10, 2012, will be required to pick up these items from Admissions and Records or the Bursar’s Office during regular business hours.

NOTE: Public Safety will ticket for no student parking permit beginning the second week of the term!

Disabled Persons Vehicles — Vehicles displaying the proper Disabled Person Placards or license plates may park in disabled parking, student parking and limited parking zones. A valid student permit or day permit must also be displayed during the times listed below. There are Disabled Person Parking spaces available in all campus lots, which are marked with the traditional blue sign and symbol. Disabled persons are encouraged to use those spaces. Use caution when parking, and do not park on any areas blocked out next to the disabled parking. These blocked out areas are unloading areas, and ALL vehicles can be cited for blocking them. The fine is $285.00.

MON–THU 7:30 am–9:00 pm

Parking Availability — One day parking permit dispensers are available in various lots for $2.00 per day. Escorts are available for anyone who would like accompaniment to or from the parking lot. Contact Campus Safety at (714) 484-7387.

Parking Enforcement — Failure to display a parking permit or one day permit on your vehicle or a parking sticker on your motorcycle will result in a parking citation issued by Cypress College Department of Campus Safety. The fine for parking without a parking permit is $32, all other fines range from $32 to $285 depending on the violation. Please note you must pay or contest the citation within 21 days from the date of the citation or the fine will be doubled. A copy of the Cypress College Parking Regulations are available at registration or in the Campus Safety office.

Parking Refunds — No refunds will be issued after the 10% date of the length of the class. Refunds will only be given with proof of withdrawal from all classes. A Cypress College Schedule/Bill and the return of the unused parking permit are required for refund.
**REFUNDS**

If a student withdraws from classes, a refund processing fee of $10.00 will be deducted from the enrollment fee refund. Refunds will be processed after the 2nd week of the semester. All refunds are issued by check and will be mailed. Please keep your Cypress College address current. See the Refund Policy.

3 Steps to Distance Education Success

Online and Hybrid Courses

1 Prepare for success

Take the Distance Education Readiness Quiz. This free anonymous quiz will help you decide if you’re ready for the special demands of online and hybrid courses. These classes require computer, email, and Internet skills.

Talk to your counselor. A Cypress College counselor is ready to help you determine how a Distance Education online or hybrid course can fit into your academic plan.

2 Choose the right class

Enroll in the course that best fits your needs. Distance Education allows you to take courses that are completely online or that have a range of in-person meeting dates and times. To take these courses you will need access to a computer and the Internet, which are available to registered students in the Learning Resource Center. For information on the course that interests you, please refer to the specific course listing in this schedule. To enable contact with your instructor, be sure to update your email address in myGateway before you register and add @CypressCollege.edu as a secure site (or on your white or trusted list) in your email program.

Online Courses have no in-person classroom instruction. All instruction is online, although some courses have a few on-campus meetings for orientations and/or tests.

Hybrid Courses are taught both in person and online. While a class may not meet every week, those meetings that are scheduled will occur on the same day and at the same time of the week.

3 Get started today

Visit your instructor’s home page. Home pages contain valuable course and instructor contact information. If you have questions, your instructors are just an email away.

Take the Blackboard Student Orientation. Blackboard is your online classroom. The orientation will show you how to enter your class and use the course tools.
