Cypress College International Student Insurance Plan

What you need to know before you begin

Our online enrollment portal is a convenient, secure, and private process for enrollment in your school’s student health insurance plan. To enroll online, you will need:

Email address: An active email address at which you can receive important messages. You can use your personal or school email address.

Credit Card: A valid Visa or MasterCard is required to purchase the insurance online. (If you don’t have a credit card or wish to pay by check or money order, go back to your school page and download an enrollment form.)

Student ID: You will need your school-issued student ID number. This can usually be found on your student ID card or your billing statement. You may withdraw from the enrollment process at any time, but your information will be lost if you navigate away or close the window before your complete all the required information. Incomplete applications will not be processed. You will receive a confirmation email when your application has been successfully submitted.

Eligibility Requirements

You must meet eligibility and attendance requirements set by your school to purchase this insurance coverage. The insurance company and/or Ascension Benefits & Insurance Solutions (the “Company”) maintains the right to investigate student (and dependent) status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, our only obligation is to refund premium payment, minus any claims paid.
