CSR CANDIDATE
LAURIE FREMON

Laurie Fremon has worked hard to reach the point of CSR candidacy. She is an exceptional young woman, who holds a Bachelor’s in Accounting from Ohio State University and an MBA from California State University in Long Beach.

Laurie was born in Ohio and now lives in Fullerton with her husband, Phil, and their three feline companions: Domino, Jonathan Bono, and Malcolm Bowie. She has three children: Kevin, Kelly, and Roxanne.

In her spare time (what spare time?), Laurie enjoys walking, swimming, and bicycling. Her hobbies include Bible study, crocheting, and baking her favorites which include breads, cupcakes and other pastries.

Laurie’s current speed is 200 words per minute. She says her all time fave class was Algebra; her favorite book is the Bible; her favorite food is peanut butter.

Laurie’s future includes pursuing the RPR and working in the field of depositions. She would also like to get a doctorate in Biblical Studies and Christian Theology. She enjoys playing the flute and would like to resume her music studies.

Congratulations from the Cypress College faculty and the court reporting student body for your well earned success, Laurie.
