Seven One-Time Funding Requests Approved by Planning & Budget

Twenty requests, totalling nearly $900,000 were considered for funding. The seven approved items will cost about $143,000.

On August 18, the Campus Planning & Budget Committee reviewed and discussed a recommendation to fund the top six prioritized requests on the list — in part due to the high safety risks involved in three of those requests, and the potential program impact of the other three.

After some discussion, it was agreed to add a seventh item to the “approved for funding” list because of the potential program impact with a relatively small investment, according to Karen Cant, Vice President of Administrative Services.

In all, 20 requests for one-time funding had been submitted, for a total of $896,164. The seven requests approved by Planning & Budget total $142,527.

Celebrate Dieciséis de Septiembre with Puente

“Cypress College’s Puente Program and the college’s participation in the KinderCaminata outreach event both celebrated their 15th anniversary in 2011. In recognition of the milestone, Puente students hosted a quinceañera -- including the traditional waltz. This video is of Puente students dancing during KinderCaminata. Recorded on 3/25/11.”
Celebrate the Ratification of the **U.S. Constitution**

Constitution Day commemorates the formation and signing of the U.S. Constitution by thirty-nine brave men on September 17, 1787, recognizing all who are born in the U.S. or by naturalization, have become citizens.

Cypress College is observing Constitution Day by holding various educational opportunities on the Constitution in the next week. For the past week, the L/LRC housed a display leading up to Constitution Day.
