Eligibility for priority registration is based upon the completion of the following: (1) assessment verification, (2) new student orientation, and (3) a one semester education plan. This form may satisfy the assessment verification requirement for priority registration. Please check at least one box in the section below describing the documentation being provided for exemption consideration:

ENGLISH/MATH ASSESSMENT REQUIREMENT:

Student name, institution, and date of assessment must be stated on the document submitted. Please select the appropriate option for fulfilling the assessment verification requirement by checking the box below:

- An assessment test from another California Community College within the last 2 years,
- An (un)official transcript with English/math from another U.S. Regionally Accredited College or University,
- Advanced Placement (AP) scores for English Composition, Literature, or Mathematics exam with a score of 3 or better,
- Early Assessment Program (EAP) for Math and/or English with a score of Standard Exceeded, on the California Assessment of Student Performance and Progress (CAASPP) exam or Smarter Balanced Assessment Consortium (SBAC).

Course Clearance Requirement:

Courses requiring a prerequisite clearance may be cleared the same day of submission through the “H line” in the Counseling Department or by seeing a counselor. Otherwise, it may be cleared within ten business days after submission. Make sure to keep your own copies of all submitted documents. Please identify below the course(s) for which clearance is being requested (ex: Engl 103).
